CONSENT FOR CATTERY ADMISSION

- I understand that payment is due at the time of admission to the cattery. Any additional expenses need to be settled at the time of check-out.
- I understand that the day of admission and collection are charged for.
- Should my cat become unwell during his/her stay, I consent for Village Vet to examine my cat for any signs of illness.
- We will contact either yourself/authorised person to discuss any treatments/ tests that may be necessary for my cat.
- I agree that the costs for these treatments / tests will be due on collection of my cat from the cattery.
- Should we not be able to contact you or your authorised person, I consent to any necessary tests or treatments being performed for the welfare of my cat. The costs of these tests or treatments will be payable at discharge / checkout.
- I agree that unless I have provided a veterinary prescribed flea product for my cat, we will treat the cat on admission to the cattery with a veterinary product at your cost.
- I understand that my cat will only be admitted to the cattery if his/her vaccinations are up to date. If they are not, my cat may need to be quarantined until the vaccines are updated. This will incur additional costs.
- My cat is up to date with its vaccinations. If not, I absolve Village Vet of any responsibility if my cat should contract any infectious diseases covered by vaccination.
- If two cats sharing a pen from the same household start to show signs of conflict, they will be separated. A charge for the additional pen will be invoiced for.

CHARGES:

All boarding charges to be settled directly with the cattery prior to admission and transport to the cattery.

Any additional charges to be settled at collection of my cat from the cattery

I have read and understood the above.
